STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Applicant's representative wishes to thank the Examiner for the courtesies extended during the telephonic interview conducted today, February 21, 2007. Applicant's representative contact the Examiner to request the status of the case. The Examiner indicated he had reviewed the case recently, and the Examiner reiterated his agreement that the finality of the previous Office Action was improper and will be withdrawn.

During the interview, the Applicant's representative reminded the Examiner of his previous indication that the Amendment filed on August 23, 2006 likely places the application in condition for allowance. The Examiner stated he was unprepared to discuss the allowance of the application. However, the Examiner agreed to contact Applicant's

undersigned representative in the case that the next communication is a new Office Action instead of a Notice of Allowance.

No other matters having been raised, the entire application is believed to be in condition for allowance and such action is respectfully requested at the Examiner's earliest convenience.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Gregory S. Weaver/
